Welcome to the BLS healthcare provider course. The BLS course is designed to teach high-quality cardiopulmonary resuscitation (CPR) for victims of all ages with a single rescuer and/or a multi-rescuer team approach. Both the BLS renewal and new provider courses consist of video instructions, skills practice, skills test and written exam. There is NO pretest for these courses.

Please plan to arrive to class on time with your BLS manual. Students will not be permitted into the class once class has started. Students are expected to be present and participate in the entire course.

Please wear loose, comfortable clothing to class. You will be practicing skills that require you to bend, stand, and lift. If you have any physical conditions that might prevent you from engaging in these activities, please inform an instructor at the beginning of class so the equipment can be adjusted to meet your needs.

To register, please complete this form and mail to THE AHA Office.

- **Course fee of $65** needs to be paid 72 hours prior to the course date. We accept exact change and checks payable to WCH c/o AHA. We do not accept credit card payments.
- You are required to own a personal copy of the BLS manual and/or an ACLS manual for the class. **We have BLS books available to purchase for $16.**
