ACLS Healthcare Provider: Non WCH-employee registration
American Heart Association Class Registration

Name: __________________________ email: ______________________________ Phone Number: ________________

Welcome to the ACLS/BLS combined renewal or ACLS new provider course. The BLS course is designed for health care providers to learn high-quality cardiopulmonary resuscitation (CPR) for victims of all ages with a single rescuer and/or a multi-rescuer team approach. The ACLS course is designed for health care providers who are involved in the management of cardiopulmonary arrest or cardiovascular emergencies. The goal of this course is to enhance your skills in the recognition and intervention of cardiopulmonary arrest, immediate post-cardiac arrest, acute arrhythmia, stroke and acute coronary syndromes in order to improve patient outcomes. The course does NOT teach ECG rhythm recognition, or pharmacology.

Please plan to arrive to class on time with your ACLS and BLS manual. Students will not be permitted into the class once class has started. Students are expected to be present and participate in the entire course.

Please wear loose, comfortable clothing to class. You will be practicing skills that require you to bend, stand, and lift. If you have any physical conditions that might prevent you from engaging in these activities, please inform an instructor at the beginning of class so the equipment can be adjusted to meet your needs.

To register, please complete this form and mail to THE AHA Office.

- ACLS/BLS renewal course fee of $180 or ACLS New Provider fee of $250 needs to be paid 72 hours prior to the course date. We accept exact change and checks payable to WCH c/o AHA. We do not accept credit card payments.
- You are required to own a personal copy of the BLS manual and/or an ACLS manual for the class. We have books available to purchase for $16 (BLS) and/or $42 (ACLS).

Please choose the appropriate course below:

**ACLS/BLS COMBINED RENEWAL CLASS:** This class is intended for current, or less than 30-day expired BLS and ACLS card holders. This class requires a pretest to be completed prior to attending the class.

**Class time:** 0800-1630

Please select a date:

- January 30, 2020
- March 31, 2020
- April 15, 2020
- May 21, 2020
- June 30, 2020
- July 28, 2020
- September 16, 2020
- October 29, 2020
- November 18, 2020

Employee Signature: ___________________________ Date: ___________________________
**Location:** Wooster Community Hospital North Auditorium

**ACLS successful course completion requires the student to:**

- Pass the [mandatory ECG and Pharmacology pre-course self-assessment](#) with an 84% or higher test score.
  - The pre-test link: [www.heart.org/eccstudent](http://www.heart.org/eccstudent). The access code is located on bottom of page ii in the ACLS manual
  - Print your score for the pre-course assessment test and turn it in at the beginning of class or you will have to reschedule the course
- Demonstrate the required skills in the correct order within the specified time without prompting in the Mega Code and airway management.
  - See skills testing checklist located in the ACLS manual: Pg. 157-164
- Pass a 50-question written exam with an 84% or higher test score.

**I encourage you to prepare for the course by:**

- Reviewing and understanding the information in the BLS and ACLS Provider Manuals.
  - Algorithms:
    - ACLS manual pages: 62, 77 & 165-169
    - ACLS: Capnography, ROSC: return of spontaneous circulation care, H’s & T’s

**Cancelation policy:**

- Students rescheduling or canceling a class are required to give a 72-hour notice. There are no refunds given for missed, rescheduled or canceled classes within 72-hours by the student. A person canceling or missing a class within the 72-hour window will be required to pay for any future classes scheduled. Access Keys that have been issued for a class cannot be returned or refunded.
