WOMEN'S CARE

Drs. Sharon Marcanthony, Gabrielle Prokop and NP Molly Hastings are looking for a passionate, community-oriented experienced Certified Nurse Midwife to join their dedicated, patient-centered practice. They are part of Bloomington Medical Services, a rapidly growing multi-specialty practice, with a strong focus on high quality, personalized care, and a commitment to patients, evidence-based medicine, and the community.

Responsibilities include:

- Providing primary and specialty health care for women
- Individualized education, counseling and care to each woman
- Labor and delivery care at Wooster Community Hospital

Compensation:

- Competitive salary and benefits
- Malpractice coverage with tail
- Collaborative working environment

The City of Wooster is a one-of-a kind college town that takes pride in “living local” with a thriving small town culture with local businesses and a variety of non-profit organizations. The city is easily accessible to Akron, Cleveland, and Columbus and has been named in “best small cities in Ohio and America” several times.
