

The Wooster Heart Group, a part of the Bloomington Medical Services and the Wooster Community Health System is seeking a board-certified/board-eligible full time Non invasive/Invasive **Cardiologist** to join our established stable team. The group has largely been responsible for providing cardiology services for the town for over 20 years. Our out-patient office is conveniently located in Wooster Community Hospital.

Practice and Hospital:

- Join an established team of Cardiologists, Interventional Cardiologists, PA, NP and excellent support staff that includes an on-site cardiac device nurse.
- Busy outpatient practice as well as inpatient care with dedicated hospitalists with a fully functioning cardiac catheterization lab with interventional capabilities, and vascular services.
- Wooster Community Hospital is a 6-time winner of the IBM Watson Top 100 award.
- Electronic Health Record-consistent between hospital and practice
- Financially secure independent community hospital

Compensation/Benefits:

- Competitive salary and benefits
- Malpractice coverage with tail
- Great community that boasts 600 acres of parkland, 50 miles from Cleveland, home to Wooster College and OARDC.

The City of Wooster is a one-of-a kind college town that takes pride in “living local” with a thriving small town culture with local businesses and a variety of non-profit organizations. The city is easily accessible to Akron, Cleveland, and Columbus and has been named in “best small cities in Ohio and America” several times.
