The Hospitalist Specialists, a part of the Bloomington Medical Services and the Wooster Community Health System is seeking an experienced Nurse Practitioner or Physician Assistant with an inpatient background to join our established Hospitalist team. We provide inpatient care at Wooster Community Hospital.

Responsibilities include:

- Obtain patient history, perform assessment, order and interpret studies for patients in our care.
- Collaborate with the physicians to provide excellent quality services to our patients.
- Counsel and educate patient and their families/caregivers.
- Documentation of care in our electronic medical record.
- Communication with the various departments at Wooster Community Hospital.
- Communication with other health care providers as needed to promote continuity of care.

Compensation/Benefits:

- Competitive salary and benefits
- Malpractice coverage

The City of Wooster is a one-of-a-kind college town that takes pride in “living local” with a thriving small town culture with local businesses and a variety of non-profit organizations. The city is easily accessible to Akron, Cleveland, and Columbus and has been named in “best small cities in Ohio and America” several times.
